MARCHE INTERNATIONAL VOLLEY CUP 2021

Born in 2007, Marche International Volley Cup is the brainchild of the former Councillor for Tourism Valerio Lucciarini De Vincenzi, with the aim to promote the territory in an untraditional way, namely through the combination of sport and tourism.

After the 2020 break, Offida Volley is now glad to invite your club to take part in the 14th edition of the event, which is taking place in Offida from 27 to 29 December 2021, in compliance with Covid-19 safety measures.

The main purpose of the event, involving under 13, under 14, under 16 and under 18 girls' volleyball categories, is not only to provide the young athletes with an opportunity to confront each other on the court, but also to foster integration in an environment that will make them feel as one, big team. In addition to that, the event is meant as a chance to go back to sharing the importance and the value of sport, which has been taken away from us for too long.

The face of the 2021 edition is Chiara Di Iulio, FIPAV's current Federal Counselor, Directeur Sportif and Technical Advisor, who played for over twenty years in our Women's Serie A Volleyball League, both on national and international level.

In order to reinforce the value of the Cup and to let it become an even stronger reference point for the youth sectors of national volleyball, the 2021 edition will be open to participation of a maximum of 60 teams.
