THE MARCHE INTERNATIONAL VOLLEY CUP was born in 2007 from an idea of the then Tourism Assessor, Valerio Lucciarini De Vincenzi, with the aim of promoting the territory in an alternative way compared to traditional tourism, leveraging the combination of sport and tourism.

Today, with the same enthusiasm that renews every year,

Onda Volley is pleased to invite your organization to participate in the 17th edition of the event, which will take place from December 27 to 29, 2025, in Onda.

The goal of the event, which will include the under 13, under 14, under 16, and under 18 female categories, is not only to offer young Italian and foreign athletes an important opportunity to compete and confront each other on the playing field but also to promote their integration by allowing them to meet in a context that will make them feel like part of one big team.

During the event, there will be opportunities to participate in side events that will be explained later.

In order to strengthen the significance and quality of the Tournament and to make it an increasingly important reference point in the national youth volleyball scene, the 2025 edition will be open to a maximum of 48 teams (12 per category):

- Under 13,
- Under 14,
- Under 16,
- Under 18.

The tournament program, which will be finalized shortly, includes:

- Presentation and opening of the tournament on the morning of December 27,
- Start of matches in the afternoon of December 27,
- Conclusion of matches, with the finals, on December 29 at around 3 PM.
